Guest Speaker: Kim Uyedi-Kai

Kim will be speaking about the wise and appropriate/effective use of authority for leadership. There will be opportunities to reflect on the nature of authority for ministry personnel vs. the nature of authority of congregations; Perhaps some conversation about case studies/experiences/sharing of individual stories. The hope is that folks will depart having learned strategies for handling power struggles. There will be a book display and two worship experiences, including communion, as well as a hymn sing and some free time.
