

Faith * Justice * Arts

July 27-29, 2018

Five Oaks Education Centre, Paris, ON

Join us for an amazing weekend of music, conversation, worship and the arts - all within the beauty of Creation at Five Oaks. Contributors range from poets to musicians, authors, and spiritual leaders connecting with the Holy and in new ways, and transforming what it means to be a worshipping community.

This year, for the first time, contributors will be engaging our theme: "Courage To...". In these times when hate and division seem so strong, we'll reflect on the courage we need to live our lives fully and see the Divine in each person.

We're so grateful for the support of Hamilton Conference, Halton, Hamilton and Erie Presbyteries in sponsoring our contributors. They've caught the Skylight vision! Come see what all the fuss is about.

There are registration rates for seniors, youth and young adults, and groups, as well as single day passes. Volunteers can register for a very discounted rate. Camping at the festival is included in the registration, and lodging is also available through Five Oaks.
