

# ***LEADERSHIP THROUGH TRANSFORMATION & CHANGE***

**Friday, March 16th**

Hamilton Conference Office

1552 Highway #6 North, Waterdown

**9 a.m. to 2:30 p.m.**

Leading change and leading during times of change can be challenging, stretching even the most grounded of leaders. This is particularly true for leaders within the United Church of Canada as both denominational changes & 21st Century dynamics converge on congregational life. These workshops will consider these dynamics with a particular view to the intersection between spirituality & the practical realities of change.
